

## “Last Christmas” by Wham!

### I. Answer the questions:

1. Where did you spend your last Christmas?
2. What did you do?
3. How did you feel?

### II. Match the meaning of the words and expressions:

1	once bitten, twice shy (a proverb)	A	to know who someone is or what something is, because you have seen, heard, experienced, or learned about them in the past
2	to tear sb apart (phrasal verb)	B	to put paper or cloth over something to cover it
3	to rely on sb	C	One is cautious if he or she has been hurt in the past
4	to recognize	D	to make someone feel extremely unhappy or upset
5	to wrap sth up	E	to trust or depend on someone or something to do what you need or expect them to do

### III. Listen and choose the correct words: <http://www.jango.com/music/Wham+>

<p>[Chorus (2x):]                  1. Last Christmas                  I <sup>1</sup>leave/ gave you my heart                  But the very next day you gave it away.                  This year to save me from <sup>2</sup>tears/ meals                  I'll give it to someone special.</p>	<p>5. A crowded room,                  Friends with <sup>7</sup>tired/ quiet eyes.                  I'm hiding from you                  And your soul of ice.                  My god I <sup>8</sup>caught/ thought you were                  someone to rely on.                  Me? I guess I was a shoulder to <sup>9</sup>cry/ fly on.</p>
<p>2. Once bitten and twice shy                  I <sup>3</sup>sleep/ keep my distance                  But you still catch my <sup>4</sup>eye/mind.                  Tell me, baby,                  Do you recognize me?                  Well, it's been a year,                  It doesn't surprise me (Merry Christmas)</p>	<p>6. A face on a lover with a fire in his heart.                  A man under cover but you tore me apart,                  ooh-hoo.                  Now I've <sup>10</sup>count/ found a real love,                  you'll never fool me again.</p>
<p>3. I wrapped it up and sent it                  With a note saying, "I <sup>5</sup>miss/ love you,"                  I meant it                  Now I <sup>6</sup>know/ call what a fool I've been.                  But if you kissed me now                  I know you'd fool me again.</p>	<p>7. [Chorus 2x]</p>
<p>4. [Chorus 2x]                  Oh, oh, baby.</p>	<p>8. A face on a lover with a fire in his heart                  (I gave you my heart)                  A man under cover but you tore him apart                  Maybe next year I'll give it to someone                  I'll give it to someone special.</p>

‘Last Christmas’

### IV. Finish the sentences:

- Last Christmas I .....
- But the very next day you .....
