A Brad Pitt movie has scared farm animals. The movie is called 'The Lost City of Z'. It is about a British soldier. He got lost in the Brazilian jungle. He was looking for an old city called Z. Film makers made loud bangs for special effects. However, farmers said the loud bangs frightened their animals. Mr Pitt is the movie's producer.

Local people said the bangs slowly became louder. It sounded like a war. The noise shook windows. Farmers' animals were scared. A dog was shivering under a chair. Cows were crying in fear. Mr Pitt loves animals. He might be sad if he knows the animals were scared. He might give the farmers something to say sorry.

Free - 365 ESL Short Stories

for Beginner-Intermediate with Audio, Exercises (Vocabulary, Yes/No Questions, Cloze, Crossword, Dictation, Other)

NOTE: Feb. 25, 2015: Brand new Normal Speed audio for all 365 stories—please enjoy!

1. The black number following each title below is the Flesch-Kincaid Grade Level (1.9→11.0 = easiest→hardest: see [Wikipedia](#) or [Readability-Score](#)).
2. Following each story are [5 numbers in brackets]: **Flesch-Kincaid Grade Level, Flesch Reading Ease Score, %Passive Sentences, Average Number of Words per Sentence, Total Words.**
3. Depending on your browser and/or your Computer Lab settings, each story has up to THREE audio players: two Normal Speed, and one Slow Speed (click on small box following title). The IT person in charge of your computer lab can probably allow all three audio players to function (just ask nicely!).
4. March 16, 2015: Crosswords/Keys for Stories 201-220 are all OK.
5. March 26, 2015: I just rewrote almost all of the story Titles below, so many of them do not match the story Titles in the Cloze exercises (it's not a problem!).
6. March 26, 2015: I have just "refurbished" all 365 stories. Please enjoy!

**American English
accent**

Nancy was new to America. She came to America speaking only her native language. She brought her 8-year-old son with her. He was all she had in the world.

They found an apartment in Arcadia. They were there for only two months when a neighbor's dog jumped over the fence. The dog ran toward Nancy's son. Nancy put her body in between the dog and her son. The dog stopped when it saw Nancy screaming at it. She was going to punch it in the nose. The dog turned around.

Shaking, Nancy took her son upstairs. They stayed in the apartment all weekend. Then Nancy found another apartment, close to the school that her son was going to attend.

She and her son walked everywhere. One day her son started coughing badly. He had an asthma attack. All the walking was making his asthma worse.

Nancy knew that she had to buy a car. So she called up the Honda dealer. She talked to a salesman who spoke her language. She told him that she wanted to buy a new car if he could come over to pick her up. The salesman said he would be right over.
